Objet: Lettre de recommandation de Monsieur Niccolo' TOSETTO

Madame, Monsieur

Monsieur Niccolo' TOSETTO, né le 7 mai 1985, a travaillé dans notre société, Massimiliano FUKSAS Architecture, en tant qu'architecte stagiaire, du 8 septembre 2008 au 24 février 2009. Dans le cadre de cette fonction, Niccolo' a participé activement en tant qu'assistant chef de projet aux projets suivants :

- **LYON CONFLUENCE** : Projet de bâtiments de logements. Phase CHANTIER.
Activités effectuées : Etude et planification des halls d'entrée des bâtiments (3D, AutoCAD)
- **EUROMED-CENTER à Marseille (72 000 m² SHON)** : Multiplex de cinémas, Hôtel MARRIOTT, Immeuble de grande hauteur (IGH), Immeubles de bureaux, Parking et aménagements paysagers. Phase Avant-projet développé (APD) et Faisabilité (FA).

Activités effectuées :

- 1) Etude de façade : maquettes d'étude au 1/20.
- 2) Etudes Hall d'entrée de l'immeuble de grande hauteur (IGH). Réalisations d'images pour le rendu et le dossier "locaux spécifiques"
- 3) Plans et coupe au 1/100 pour le rendu APD de l'IGH.
- 4) Dossier de faisabilité : études volumétrique (3d et maquette 1/500)
- 5) Etude 3 D, calepinage de la Façade de l'Hôtel Marriott

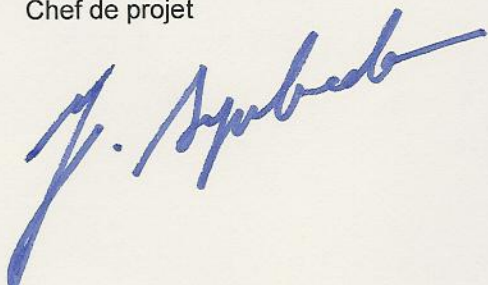

Au cours de son activité Monsieur Niccolo' TOSETTO a fait preuve d'enthousiasme, de dynamisme et de rigueur mais aussi de compétence et d'efficacité, à la plus grande satisfaction des chefs de projets avec lesquels il a travaillé. Cette expérience lui a permis d'accroître ses connaissances et ses compétences, de travailler en équipe et de gérer le dossier de présentation des faisabilité.

Nous avons pu compter sur son engagement et son respect des délais dans les tâches qui lui ont été attribuées. Il a participé pleinement au développement de ces projets, c'est pourquoi nous sommes convaincus qu'il peut être un atout appréciable dans une équipe de professionnels.

Restant à votre disposition pour de plus amples renseignements, nous vous prions d'agréer, Madame, Monsieur, l'expression de nos salutations distinguées.

Subject: Presentation letter for Mr. Niccolò Tosetto

Dear Sir/Madam,

Niccolò Tosetto, born in Asolo, Italy on May 7th 1985, has been studying in the Department of Bridge Engineering, College of Civil Engineering, Tongji University, Shanghai, China from July 27th 2009 till December 20th 2009.

He was a student in Tongji thanks to the exchange deal between Professor Chen Airong from Tongji University of Shanghai, China, and Professor Enzo Siviero from IUAV University, Venice, Italy.

Niccolò Tosetto has been working with Alberto Corrado and Francesca Zalla on the IUAV-TONGJI master's degree thesis project in Bridge Design, hosted in China by Professor Chen Airong's Bridge Design Process and Method study and project team.

During this study period he has been working on the following activities:

-Rehabilitation project for eleven bridges on the Suzhou River, Shanghai, China:

Activities: Conceptual thinking about the area and the aim of the intervention. Design of a complete intervention program. Design of the single intervention on each bridge through sketches, plans, sections, 2d and 2d views etc.

-Design of three new footbridges on Suzhou River, Shanghai, China:

Activities: Conceptual thinking about the area and the aim of the intervention. Individuation of the precise intervention area. Complete design of the bridges from the conceptual design to the detailed structural calculation.

During the five months Niccolò Tosetto spent in our team he worked with precision, dedication and punctuality, respecting the work-schedule and the deadlines for the delivery of documents or presentations. For these reasons we sincerely think that Mr. Niccolò Tosetto could be a totally valuable resource in any professional project team.

Please feel free to contact me for any further information.

Yours faithfully,

A handwritten signature in black ink that reads "Airong Chen". The signature is written over a red circular official stamp of Tongji University. The stamp contains the university's name in Chinese and English, a star in the center, and the text "桥梁工程系" (Bridge Engineering Department).

Subject: presentation letter for Mr. Niccolò Tosetto

Dear Sir/Madam,

Niccolò Tosetto, born in Asolo -Tv-, on May 7th 1985, has been working under my guidance for his master's thesis project from July 2010 until March 2010. The project area was on the Suzhou river in Shanghai, China. This work, held with Alberto Corrado and Francesca Zalla, was about creating a restoring proposal for eleven bridges on the area, and creating three new footbridges also on the Suzhou river. The project activity was held in the IUAV University of architecture, Italy, and in the Tongji university of Shanghai, China.

The student has been working with passion, precision and commitment, with my great satisfaction.

Because of the reliability of Mr. Niccolò Tosetto and because of the care he puts in the working activity i sincerely think that he could be an excellent resource in you project team.

Feel free to contact me for any further information.

Best Regards,

Prof. Enzo Siviero
